- News Reports Release

ASICS days before its classic shoes Gel Lyte V launched a new color. The new nylon and suede continues to build, designers use grey outline contour lines, and then to purple and blue dotted lining and uppers, appeared with powder blue, through a variety of color to create a design eye. With thick silicone rubber soles, bring comfortable cushioning for home. The shoes are priced at \$\$110, and details are available on Sneakers Polictics.

Nike, Zoom, Kobe, IV (4) two new color matching modes,

white / purple and black / yellow

lateral NIKE-LOGO is similar to Nike hyperdunk

because of the impact of ankle height on the ankle, NIKE usually top class stars will not be used as signature

, but KOBE wants to get rid of the ankle restraints through shoes and let himself run more quickly and cope with the game
This is expected in the spring of 2009:
